

## Michael James Organisation

# Get behind the fall of the hammer!

Michael James Organisation is one of SA's most respected auctioneering companies with over 4 decades in the property auction industry and a leader in this field.

We are looking for dynamic and articulate individuals to join our cultured environment that stimulates business interaction. With the flourishing industrial and commercial property market in the Western Cape and growing popularity of auctions, we urge you to make use of this opportunity.

With dynamic capacity, inexhaustible drive and sustainable performance together with our experience and assistance we guarantee self-empowerment.

The position requires the following:

- Extensive experience in the real estate industry
- Ability to generate leads, source business opportunities and maintain contacts
- Capability to operate in a competitive environment
- Effective marketing techniques and subsequent interaction with potential clients
  - Ability to pre-qualify prospective investors

**We guarantee a competitive package for reliable and diligent performance**
